## Announcement

---

Shorthorns always have been the leading cattle of the Corn-belt. The reason is a simple one. Shorthorns make better use of roughage than do cattle of any other breed. And Shorthorns respond to good treatment and good feed more profitably than any other cattle. Other breeds boast of ability to withstand hardships and to go a long way to feed and water. Corn-belt farmers are well supplied with the best of feeds for rearing and maintaining cattle and water is abundant everywhere. What they are interested in is the kind of cattle that can use those necessities to the best advantage—Hence Shorthorns.

The results of recent stock shows prove that Shorthorns can win over all other breeds as finished beef. The two largest shows in North America are the International at Chicago and the Canadian Royal at Toronto. At each of these shows in 1937 a Shorthorn steer was grand Champion. The tide is turning stronger than ever toward Shorthorns on American farms. Come in with the tide.

The cattle that are to be sold in this sale are one of the most attractive lots that has ever been sold in a consignment sale in the State of Iowa. They have been drawn from the herds of some of the most prominent breeders. For the most part the sires of the cattle that are to be sold are bulls that have wide reputations as breed improvers as well as prize winners. We have pictured several of those bulls in this catalog.

Often it is difficult to find enough really high class cattle, that their owners are willing to expose for sale by auction, to make an attractive consignment sale. This offering is an exception to that rule. The consignors to this sale are presenting cattle that are fully up to or above the average productions of their herds.

Every person interested in Shorthorns is invited to attend the sale. High prices are not anticipated though the quality of the stock listed in this sale warrants a high appraisal. We will be pleased to have you bid for these cattle what they are worth to you and every bid will be thankfully received.

Recent sales of breeding cattle indicate that prices are higher than they were a few months ago but we believe that they are not nearly as high as they soon will be. Therefore this is a good time to buy.

Study the pedigrees and the statements presented in this catalog and then come to the sale and buy. The purchase will prove to be a good investment. Please bring this catalog when you come to the sale.

THE CENTRAL STATES SHORTHORN SALE, WEBSTER CITY, IOWA

Zoe Clipper 40th bred and to be sold by Ben G. Studer, Wesley, Iowa. This beautiful heifer will be sold in this sale. Her pedigree is Lot 26 in this catalog.

Grass, trees and Shorthorn cattle are the most effective soil conservers and soil builders and the Shorthorns will produce plenty of beef and milk to pay for the use of the soil while it is being improved.

## Terms and Conditions of the Sale

**LOCATION**—The sale will be held in the Marvel sale pavilion on U. S. Highway No. 20 at WEBSTER CITY, IOWA on MONDAY, JANUARY 31st, 1938. Webster City is on the paved U. S. Highway No. 20, twenty-one miles East of Fort Dodge and seventy-six miles West of Waterloo. Intersecting roads make it easy of access by paved highways from all parts of Iowa and adjoining States. Also it is on the Illinois Central and Chicago and Northwestern Railroads.

**TERMS**—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

**GUARANTEE**—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the sellers herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's costs of transportation.

Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

**PEDIGREE CERTIFICATES**—A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

**BIDS**—Those wishing to buy who cannot be present may leave with, or send their bids to the sale manager, Will Johnson of the Shorthorn World; to J. E. Halsey of Wallaces' Farmer, to Tom Sherlock or Frank Richards of the Corn-Belt Dailies or to any of the consignors.

The rise in prices of pure bred cattle has come but pure bred Shorthorns are still the corn-belt farmers best asset. Buy these choice breeding units before the price gets above that of a safe conservative investment. In a short time cattle such as these will be selling at double the prices of this sale. Buy now and be ready to sell then.

WILL JOHNSON, Sale Manager,  
3709 Sixth Avenue, Sioux City, Iowa.

During 1937 pure bred Shorthorn steers won the Championships or reserve Championships of most of the leading stock shows in the United States and Canada. This is a picture of Ashbourne Orange, grand champion over all breeds at the International Stock Show at Chicago, November 26 to December 4, 1937. Breed and feed Shorthorns. They are the most profitable cattle for farmers everywhere.
